

## **Walk for Health 19<sup>th</sup> July 2011 – Hambleton**

On Tuesday 19<sup>th</sup> May Ron Collins led a Walk for Health. Having meet at the Village Hall 7 people and a dog made their way to Hambleton in shared cars.

The walk started in the village car park behind the *Stag and Huntsman*. We turned left out of the car park pass the pub, the church and the post office then over the bridge and walked to the road junction. Crossing the road we went past the school and made our way to Dairy Lane and into the Greenlands estate protected by the National Trust.

Making our way to Built Farm and then Braces Farm we made our way back via Pheasant's Hill to our starting point in the car park.

After the walk we came back to The Black Lion in Naphill for a relaxing and enjoyable meal.

Many thanks to Ron for leading this walk.
